

Pls don't fall in love

**When expectations faint
and linger through eternity
the waiting game begins
until you face your destiny**

**So please don't fall in love
pls don't fall in love with me
cause I ain't got the heart
yeah I ain't got the heart you see, yeah**

oooh oooh oooh x2

**And when it don't make sense
just focus on the road ahead
and say what's in your heart
cause truthful lips can't be mislead**

**So please don't fall in love
pls don't fall in love with me
cause I ain't got the heart
yeah I ain't got the heart you see**

oooh oooh oooh x2
